Section 1.03. Powers of the City. The City of South St. Paul shall have all powers possible for a municipal corporation to have under the constitution and laws of this State of Minnesota as fully and completely as though they were specifically enumerated in this charter. The powers of the city under this charter shall be construed liberally in favor of the city, and the specific mention of particular powers in the charter shall not be construed as limiting in any way the general power granted in this article. Unless granted to some other officer or body, all powers are vested in the city council.

Section 1.04. Charter a Public Act. This charter shall be a public act and need not be pleaded or proved in any case. It shall take effect thirty (30) days after the election at which it is approved, or in accordance with state law.

CHAPTER 2 MUNICIPAL ELECTIONS

Section 2.01. General Elections. General elections of city officers shall be held on the first Tuesday after the first Monday in November in each even-numbered year. Notice of the time and place of holding such election shall be given by the city clerk by posting notices thereof at each polling place in the city and by such other notice as required by state law, but failure to do so shall not invalidate such election.

Section 2.02. Primary Elections. In accordance with state law, there shall be a primary election for the selection of two nominees for each elected office at the regular municipal election unless no more than two nominees file for each elective office. Notice of the time and place of holding such election shall be given by the city clerk by posting notices thereof at each polling place in the city and by such other notice as required by state law, but failure to do so shall not invalidate such election. (*Amended by Ordinance No. 1225*)

Section 2.03. Qualifications of Electors. Any person who is a resident of the city and entitled under state law to vote for county and state offices shall have the right to vote for any officer at any election held under this charter.

Section 2.04. Candidate Filing. Any eligible voter of the city may file for election to any office governed by this charter in the manner prescribed by state law and may withdraw in the manner prescribed by state law.

Section 2.05. Special Elections. Special elections for any purpose shall be held and conducted in all respects as general elections under this charter and notice shall distinctly specify the object of said election.

Section 2.06. Election Returns. In case of a tie vote in any city primary or general election, the city council shall determine the result by lot in accordance with state law. Contested elections shall be governed by state law.

Section 2.07. Commencement and Term of Office. The official term of all elective officers shall begin on the first business day in January of the odd-numbered year following their election. The mayor and councilmembers shall be elected for terms of four years and shall hold office until their respective successors are elected and qualify. The election of the elective offices shall be staggered at the biennial city general elections so that three councilmembers are elected at the biennial city general election in 2002 and the mayor and three councilmembers are elected at the next succeeding biennial city general election, and thereafter the elective officers shall be elected in that order and manner.

Section 2.08. Vacancies in Elective Office. A vacancy in an elective office exists for the following reasons:

- (f) Removal of the officer from office; or
- (g) A reason specified by law.

When a vacancy occurs in an elective office for a reason specified in clauses (d) through (g), the city council must within 30 days, by a resolution stating its findings, declare the vacancy to exist.

Section 2.09. Vacancy - How Filled. A vacancy in the office of any elected official shall be filled by city council appointment until an election is held as provided in this section. If the vacancy occurs before the first day to file affidavits of candidacy for the next regular city election and more than two years remain in the unexpired term, a special election shall be held at the next regular city election and the appointed person shall serve until the qualification of a successor elected at a special election to fill the unexpired portion of the term. If the vacancy occurs on or after the first day to file affidavits of candidacy for the regular city election, or when less than two years remain in the unexpired term, there shall be no special election to fill the vacancy and the appointed person shall serve until the qualification of a successor elected at a regular city election.

Section 2.10. Procedure of Elections.
